## Santa's Coming Pin

Santa is at his very best. Just a fun and fanciful Santa Face made with small Christmas fabrics, fleece and some google eyes. You will find him one of your favorites to wear during the season. Smile sewing skills get him done in no time; you can do assembly line techniques, because all your family and friends will want one too.

## Nesting Coasters/Hot Pat

This is a very cute and useful set of 4 coasters which, nest inside a matching Hot Pad. A fun and easy sewing project, just right for your table, or as a gift. Pick your favorite fabrics, match your décor or pick a seasonal group of fabrics, and join this class; you'll have this project done in no time. It's fast and simple with folding and pressing and basic sewing, sure to give you instant gratification. This is quick enough to make as the perfect house warming, shower or hostess gift or Christmas present. Pick up your material list, get your fabrics purchased and join Karen Maertins to whip these up

## Warm Fuzzes With My Sewing Machine

"I Love to Sew; I love my new Sewing machine": Do you look at people when they say this, roll your eyes and think, "What are they CRAZY"...they haven't been with me when I tried to sew.

Do you have a sewing machine that spends most of its life hidden in a dark room? Have you started to sew, only to fall into sewing machine crazy land? Don't understand why you and your sewing machine have not bonded? Do you promise that someday you will learn how to sew with your machine? Come to this Comprehensive Instruction Class and learn the proper sewing machine terminology, parts of the sewing machine, (which knob, button does what). Learn many of the reasons why you aren't getting the results you want. You will leave this class knowledgeable, in control and a confident sewing enthusiast and finally have the warm fuzzes for your sewing machine. Join Karen Maertins, a Sewing Machine Educator for over 25 years to really learn the secrets to bonding with your sewing machine. "Yes, Sewing can bring you hours of pleasure and become one of your new passions".
